

BUA4003 Assessment 3 | Economic Analyst Report

Criteria	A: Excellent (>80%)	B: Very Good (70 – 79%)	C: Good (60-69%)	D: Acceptable (50 – 59%)	N: Unsatisfactory (<50%)
Country selection & justification (7.5 marks)	Comprehensive selection with exceptional justification and clarity.	Very good selection with strong justification and high clarity.	Good selection with adequate justification and clarity.	Some justification provided but lacks clarity or cohesion.	Insufficient evidence of selection or not justification.
Research data collection & explanation (10 marks)	Excellent selection, evaluation, and analysis of data; effectively compiling and explaining economic and social wellbeing indicators; clear interpretation of statistics and trends, demonstrating strong understanding.	Strong evaluation and compilation of key data with clear explanation of its significance for wellbeing.	Good data collection and explanation but might lack depth or clarity in some areas.	Basic summary with limited explanation, missing some key indicators or lacking details.	Insufficient or incomplete data collection with little to no explanation of its significance.
Economic interpretation (15 marks)	Comprehensive discussion of economic performance and wellbeing, using highly relevant literature and reports.	Strong discussion, integrating relevant sources effectively.	Good discussion using some relevant literature or reports.	Limited discussion with minimal relevant literature.	No meaningful discussion or use of supporting sources.
Policy implications & recommendations (10 marks)	Insightful analysis of policy implications, showing strong understanding of economic indicators and wellbeing. Well-supported and feasible recommendations with academic and industry sources.	Well-reasoned with clear recommendations though some areas need further justification.	Basic discussion of policy implications; recommendations lack depth or strong evidence.	Limited discussion, justification and minimal connection to supporting literature	No meaningful policy or lack of feasible recommendations

Presentation, clarity & referencing (7.5 marks)	Clear, well-structured, and professional presentation with appropriate formatting, headings, and visuals. Writing is concise, logical, and free from errors. Referencing is thorough, correct, and well-integrated (APA7)	Well-structured with minor formatting or referencing issues. Writing is clear and effective with minimal errors.	Mostly well-structured, though some areas lack clarity. Referencing is included but has minor errors.	Some clarity and structure issues, noticeable grammar or formatting inconsistencies, and incomplete or inconsistent referencing.	Lacks organisation, frequent grammar or spelling errors, and fails to cite sources properly or lacks references entirely.
